Dear Jesus,

Please bless this boy called Magnificent in Nigeria. He was shot in the mouth in an attack in which his Mum and siblings were killed. Help them to get the money so that Magnificent can have more operations to take the wire out of his mouth and build up his face again. Heal him by Your Almighty power so that he is not in pain and can eat, drink and talk easily. Amen.

Dear God,

Thank You for Archbishop Ben Kwashi and his wife Gloria in Nigeria who look after children whose Mums and Dads have been killed because they believed in Jesus. Thank You for the love and care they show to these children and for helping them to understand how much Jesus loves them. Help the children to trust and follow Jesus and find great joy in His love for them. Keep them safe and help them get a good education and find happiness, peace and love. Amen.

Put the words of this Bible verse into the right order. You will find it in Deuteronomy 31:8.

or abandon you,

so do not lose courage

"The Lord himself

or be afraid."

will lead you

and be with you.

He will not fail you

Dear Jesus,

We pray these Bible verses over all children and youth who are persecuted because they and their families believe in You. Help them trust You and remember that You will always be with them to lead and guide them. You will NEVER leave them or abandon them. You will always be right beside them to make them brave and strong. Amen.

Dear Jesus,

Be close to children and youth in Syria. Give them safe homes and the chance to go to school and university. Keep them and their loved ones safe from people who want to hurt them. Fill their hearts with Your love and hope. Amen.
