

This month Christians remember and celebrate Pentecost when God sent the Holy Spirit to fill Jesus' disciples and followers. This event can be found in the Bible in Acts chapter 2. The Holy Spirit helps us see words, pictures and messages from God, gives us strength and courage and reminds us what Jesus taught us in the Bible.

Dear God,
 Send Your Holy Spirit to fill the hearts and minds of children and youth who are persecuted because they and their families believe in and follow Jesus. Holy Spirit, make them brave and give them strength when they are bullied, attacked and hurt and when they are rejected by their friends and feel so alone. Give them words, pictures and Bible verses from God to let them know He sees them, He holds them in His arms of love and will always help them.

Dear Jesus,

Be very close to children and youth who see their families and friends attacked and killed. Pour Your great love, comfort and peace into their hearts and minds. Keep them close in Your loving arms and soothe their great pain and fear. Give them loving families and friends to look after them and to show Your love to them. Give them hope, keep them safe and let them know they will see their loved ones again with You in heaven. Amen.

Dear Jesus,

Give great strength to two teenage children and their Mum whose Dad was killed in Laos. His name was Pastor Thongkham Philavanh and he was killed because he loved and shared Jesus with many other people. Help them when they feel so sad as they miss their Dad so much. Help them keep believing and trusting in You. Protect them all and let them know their Dad is with his precious Saviour Jesus in heaven. Amen.

Dear God,

Spread your wings of love and protection over all your persecuted children and youth as a mother bird covers her chicks and shelters them from harm. Give them joy knowing how much you love them and are with them every second of the day and night. Amen.

Dear Jesus,

Protect all children and youth who have to live in camps to keep safe. Help them to have fresh water, food, medical care, schooling and proper homes.
