Dear Jesus,

Shine the light of Your love on all children and youth who are attacked, made homeless, bullied or whose family have been killed because they love and follow You. Fill them with hope that things will get better. Make them brave as they cry out to You and read the Bible or as they sing worship songs. Let them feel You holding them close in Your arms of love and know You will never let them fall. Protect them and their loved ones. Amen.

How many words can you find in the word **illuminate** ?

You can only use each letter once. You can include words from one letter upwards.

Dear God,

Thank You that Release International partners are paying for the children of Win Aung to go to school in Myanmar. He was sent to prison because he told people about Jesus. Hold them close when they miss their Dad so much or if they feel scared. Help them do well at school. Keep their Dad safe and set him free so he can go home. Amen.

Dear Jesus,

Bless the children and youth in Ukraine whose families have been sent to prison, hurt or killed because they believe in and follow

You. Bless too the children whose Mums and Dads, brothers or sisters have gone to fight in the war to protect their country. Keep them and their loved ones safe. Be very close to the children when they feel terrified as the bombs fall where they live and when they are very worried about their family and if they are safe. Protect them all by Your great power and love and bring an end to this war and to the suffering of Your people. Amen.

Dear Jesus,

Shine your light and love into every child and youth who is being persecuted because they love and believe in You. Fill them with courage when they are so afraid, fill them with hope when they are full of despair, keep them safe when they are in danger and bless their hearts when they feel so sad or lonely. Help them trust You and Your Almighty power!!! Amen.
