Dear Jesus,

Thank You for the school run by St. George's Church in Baghdad, Iraq. Bless the children and teachers. Keep them safe from attack and harm. Help the children learn well and get great grades in their exams. Give them hope and a future. Pour Your love into Rev. Faiz Jirjees and Sinan, his assistant, and into all the children, youth, families and staff. Give them strength, courage, peace and joy knowing You are with them. Help them trust You. Amen.

Dear Jesus,

Be very close to children and youth whose Mums, Dads and families have been killed because they loved and served You. We think of countries such as Burkina Faso, Nigeria and Colombia but there are many, many more. Fill these youngsters with Your precious love Jesus when their hearts are breaking with sadness as they miss their loved ones so much. Give them loving families and friends to look after them and pray for them. Help them believe that You are with them and will never leave them. Give them peace knowing that their family is with You in heaven where there is joy in Your love and life forever!

Dear God,

Help all persecuted children and youth know that they are precious in Your eyes and how much You love them. Let their hearts rejoice knowing that You choose them, delight in them and call them Your beautiful children. When they are scared, sad, lonely or in danger, help them run into Your arms of love where they are always welcomed and wanted. Protect them by Your Almighty power - physically, spiritually, emotionally and mentally. In Jesus' Name we pray! Amen.

Dear Jesus,

Be with all the girls and women who have been kidnapped and forced to marry men who are not Christians. Pour Your powerful love into their hearts and minds when they feel terrified and alone. By Your Almighty power get them back home safely. Bring their kidnappers to faith in You! Amen.
