

VOICE
OF PERSECUTED CHRISTIANS

July 2026

David was only a boy when he fought the giant Goliath. Everybody was terrified of Goliath but David knew that God is **MORE POWERFUL** than anyone and anything. David trusted God and knew that God could use him to beat evil and defeat Goliath.

Dear God,

Use **OUR PRAYERS** as a **POWERFUL WEAPON** to protect, defend, help and comfort persecuted children around the world - children who are hurt, attacked, bullied, bereaved and even killed because they and their families love and follow Jesus. Help us trust Your love and power as David did. Amen.

Dear Jesus,

Be with all the children and youth who suffer terribly in the Democratic Republic of Congo. Many of their Mums, Dads and families have been killed because they are Christians. Hold them close when they are so afraid and sad. Remind them that their families are with You in heaven where they will see them again one day. Give these children and youth family and friends to look after them. Let them know You are with them and give them Your love to make them strong and brave. Keep them safe from harm. Bring peace to that country dear Lord so all the people can live in freedom and not fear and can worship You freely. Amen.

Dear God,

Thank You that children in Ethiopia are believing in Jesus because they can see how much their Mums and Dads love Him. They see their parents following Jesus even when it is hard and dangerous because other people want to hurt them. Help these children learn how much Jesus loves them and cares for them. Help them welcome Him into their hearts and lives and know the joy of the Lord! Amen.

Put these boxes in the right order to make this month's Bible verse. You can find it in Deuteronomy 33:27 (NIRV).

He will drive out

His powerful arms

You can run to him

for you.

for safety.

to make room

are always there

your enemies

God lives forever!

to carry you.

Dear God,

Speak to all the children and youth who are hurt, beaten, made homeless or experience terrible things by people who do not want them to love and follow Jesus. Let them know they can run to You and You will always hold them close in Your all powerful arms. Protect them from their enemies. Help them remember that one day they will live forever with You in heaven where there will be no more suffering, pain, sadness or death - only great joy, love and happiness with Jesus! Blessed be Your Name!

Dear Jesus,

Please bless all the children who go to St. George's Church School in Iraq. Thank You that they can find out that Jesus knows all about them and loves them very much. Thank You that children from different religions can learn and play together in peace and happiness and with respect. Keep them and their families safe as they live in a dangerous place. May all the children, teachers and pupils feel Jesus' love and truth in their hearts and may they draw closer to Jesus more and more each day.
