Can you spot the 16 differences in the 2 pictures below? The pictures show Jesus teaching his disciples about prayer. His friends knew how important it was for them to pray to God so they asked Jesus to help them. We can pray to God too - just like we talk to a friend - to ask for help, strength, healing, courage, protection and also to praise and thank Him for all His love and blessings. This month we are praying all these things for children who are attacked, bullied, kidnapped, made homeless, bereaved and even killed because they love and follow Jesus. (Answers on the last page)

Dear Jesus,

Thank you so much for the education project for children in Burkina Faso. They have had to run from their homes to keep safe from attacks. Thank you for the books and materials they have been given so they can continue to learn at school. Help them be able to concentrate and remember what they are being taught even though they have been so scared and worried. Let them become more confident and feel Your love and peace. Take away their fear and heal their minds, hearts and bodies. Help them make good new friends, settle into their new homes and communities and do really well at school, using all the gifts and abilities You have given them. Amen.

Dear God,

Thank You that a new home is being built for Rev Gideon Dawell in Nigeria. His old home was destroyed by people who do not want Christians to believe in or share the love of Jesus. Give Gideon Your special strength, love and hope as his wife and all his five children were killed by the attackers. Hold him close in his great sadness and shock as he misses his children and wife so much. Help him remember that they are with Jesus in heaven and he will see them again one day.

Crack the code to work out this month's Bible verse found in Psalm 33:20. (a = 1, b = 2, c = 3 , etc.)

" 23 5 23 1 9 20 9 14 8 15 16 5

6 15 18 20 8 5 12 15 18 4; 8 5 9 19

15 21 18 8 5 12 16 1 14 4 19 8 9 5 12 4."

Dear God,

Pour Your love into the hearts of all Your children around the world who are hurting, afraid or deeply sad because they and their families are in danger because they love and follow Jesus. Make them brave so that they keep trusting in Your Almighty power. Let them know that NOBODY and NOTHING is more powerful than YOU! Give them the true hope that You

will help them and be with them every second of the day and night. Be their shield to protect them from any attacks - physical and spiritual. We ask this in Jesus' Name. Amen.

Dear Jesus,
Put Your powerful hand of healing on Magnificent, this young boy from Nigeria. He was shot in the mouth when his Mum, sisters and grandparents were killed by attackers. His mouth is wired up and he needs many operations. Provide the money they need for Magnificent's medical care. Be very close to him and his Dad as they remember the terrible night their family was killed. Pour Your love into their hearts and minds and give them hope, peace, strength and healing. Thank You Jesus! Amen.
